**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I switched away from one of the big phone companies, and to an independent provider because of the huge prices and bad service with the big company. I have been a customer of SonicNet for a few years and had broadband, and now have fiber, at a reasonable price.

Not only is their service fantastic, SonicNet employs people near my city, and takes part in the community as a real local business.

Please do not stand in the way of broadband competition.
